A	Contract of Use of Facilities of Mytham Primary School	10

1. Introduction

The Governing Body regards the school buildings and grounds as a community asset and will make every reasonable effort to enable them to be used as much as possible. However, the overriding aim of the Governing Body is to support the school in providing the best possible education for its pupils, and any lettings of the premises to outside organisations will be considered with this in mind.

2. Definition of a Letting

A letting is defined for the purposes of this Policy as "a non-exclusive licence use of the school premises (buildings and grounds) by either a community group (such as a local youth group or football team), or a commercial organisation (such as the local branch of 'Weight Watchers')".

A letting must not interfere with the primary activity of the school, which is to provide a high standard of education for all its pupils.

Use of the premises for activities such as staff meetings, parents' meetings, Governing Body meetings and extra-curricular activities of pupils supervised by school staff, fall within the corporate life of the school. Costs arising from these uses are therefore a legitimate charge against the school's delegated budget.

It is stressed that the letting is non-exclusive and that the School may enter and remain on the part of the premises that is subject to the letting at any time.

3. Charges for a Letting

The Governing Body is responsible for setting charges for the letting of the school premises. A charge will be levied which takes into consideration the following:

- Cost of services (heating and lighting);
- Cost of staffing (additional security, caretaking and cleaning) - including "on-costs";
- Cost of administration;
- Cost of "wear and tear";
- Cost of use of school equipment (if applicable).

Where there are multiple lettings taking place at the same time, the costs for services and staffing will normally be shared between the organisations involved.

The specific charge levied will be reviewed annually, during the spring term, by the Resources Committee for implementation from the beginning of the next financial year, with effect from 1 April of that year.

Current charges will be provided in advance of any letting being agreed.

4. VAT

In general, the letting of rooms for non-sporting activities is exempt from VAT, whereas sports lettings are subject to VAT (although there are exemptions under certain circumstances). For specific lettings, clarification will be sought from Bolton Council Finance Department.

5. Management and Administration of Lettings

The Headteacher is responsible for the management of lettings, in accordance with the Governing Body's policy. Where appropriate, the Headteacher may delegate all or part of this responsibility to other members of staff, whilst still retaining overall responsibility for the lettings process. Use of the facilities will be prioritised for non-profit making groups.

6. The Administrative Process

Organisations seeking to hire school premises should approach the Business Manager who will identify their requirements and clarify the facilities available.

An Initial Request Form (a copy of which is attached to this policy) should be completed at this stage. The Governing Body has the right to refuse an application, and no letting should be regarded as "booked" until approval has been given in writing. No public announcement of any activity or function taking place should be made by the organisation concerned until the booking has been formally confirmed.

Once a letting has been approved, a letter of confirmation will be sent to the hirer by the School, setting out full details of the letting and enclosing a copy of the terms and conditions and the hire agreement.

The letting should not take place until the signed agreement has been returned to the school. The person applying to hire the premises will be invoiced for the cost of the letting, in accordance with the Governing Body's current scale of charges and payment shall be made in advance.

The hirer must be a named individual and the agreement must be in their name, giving their permanent private address. This avoids any slight risk that the letting might be held to be a business tenancy, which would give the hirer security of tenure.

All lettings' fees, which are received by the school will be paid into the school's bank account, in order to offset the costs of services, staffing etc (which are funded from the school's delegated budget).

In addition to the contract, a 'Transfer of Control Agreement' must also be signed.

Income and expenditure associated with lettings will be regularly monitored.

7. Terms And Conditions for The Hire of The School Premises

All terms and conditions set out below must be adhered to. The "Hirer" shall be the person making the application for a letting, and this person will be personally responsible for payment of all fees or other sums due in respect of the letting.

7.1. Status of the Hirer

Lettings will not be made to persons under the age of 18, or to any unlawful group.

The hire agreement is personal to the hirer only, and nothing in it is intended to have the effect of giving exclusive possession of any part of the school to them or of creating any tenancy between the school and the hirer.

If a particular letting involves contact with children or vulnerable adults, all personnel involved must undergo safeguarding checks in accordance with legislation and local authority/DFES guidance (e.g. be checked against List 99 and undergo a DBS check).

All checks must be in place prior to personnel working on the premises. The school must receive a copy of the group's safeguarding policy. A record of these checks must be kept and made available if requested by governors.

Any adults working with the school's pupils (for example, at an after-school sports club) must be appropriately qualified.

Sports coaches must follow the Bolton Council guidelines for working in schools.

7.2. Priority of Use

The Headteacher and/or Chair of Governors will resolve conflicting requests for the use of the premises, with priority at all times being given to the smooth running of the school.

7.3. Attendance/Registers

The Hirer shall ensure that the number of persons using the premises does not exceed that for which the application was made and approval given. Each group must keep a register of all people (adults and children) attending each session.

7.4. Behaviour

The Hirer shall be responsible for ensuring the preservation of good order for the full duration of the letting and until the premises are vacated.

7.5. Public Safety

The Hirer shall be responsible for the prevention of overcrowding (such as would endanger public safety), and for keeping clear all gangways, passages and exits.

The Hirer shall be responsible for providing adequate supervision to maintain order and good conduct, and – where applicable - the Hirer must adhere to the correct adult/pupil ratios at all times.

7.6. Own Risk

It is the Hirer's responsibility to ensure that all those attending are made aware of the fact that they do so in all respects at their own risk.

7.7. Damage, Loss or Injury

The Hirer warrants to the Governing Body that it has appropriate public liability insurance to cover all its legal liabilities for accidents resulting in injuries to persons (including all participants in the activity for which the premises are being hired), and/or loss of or damage to property, including the hired premises, arising out of the letting.

The Hirer must produce the appropriate certificate of insurance cover before the letting can be confirmed. Neither the school, nor Local Authority will be responsible for any injury to persons or damage to property arising out of the letting of the premises.

7.8. Furniture and Fittings

Furniture and fittings shall not be removed or interfered with in any way. No fittings or decorating of any kind necessitating drilling, or the fixing of nails or screws into fixtures which are part of the school fabric, are permitted. In the event of any damage to premises or property arising from the letting, the Hirer shall pay the cost of any reparation required.

7.9. School Equipment

This can only be used if requested on the initial application form, and if its use is approved by the Headteacher. Responsible adults must supervise the use of any equipment, which is issued and ensure its safe return. The Hirer is liable for any damage, loss or theft of school equipment they are using, and for the equipment's safe and appropriate use.

7.10. Storage

Storage of equipment shall be with the agreement of the school.

7.11. Electrical Equipment

Any electrical equipment brought by the Hirer onto the school site MUST comply with the LA code of practice for portable electrical appliance equipment. Equipment must either have a certificate of safety from a qualified

electrical engineer or be inspected by the LA. The intention to use any electrical equipment must be notified on the application.

7.12. Car Parking Facilities

Subject to availability, these may be used by the Hirer and other adults involved in the letting. No guarantee of availability is given.

7.13. Toilet Facilities

Access to the school's toilet facilities is included as part of the hire arrangements for rooms inside the school.

7.14. First Aid Facilities

There is no legal requirement for the school to provide first aid facilities for the Hirer. It is the Hirer's responsibility to make their own arrangements, such as the provision of first aid training for supervising personnel, and the provision of a first aid kit, particularly in the case of sports lettings. Use of the school's resources is not available. Any accidents should be reported as outlined in the school's Health and Safety policy.

7.15. Food and Drink

No food or drink may be prepared or consumed on the property without the direct permission of the Governing Body, in line with current food hygiene regulations.

7.16. Animals

No animals may be brought onto the site without the prior agreement of the governors.

7.17. Litter

All litter must be placed in the bins provided. Bin bags should be tied and placed in the school bins following evening or weekend lettings.

7.18. Intoxicating Liquor

No intoxicants shall be brought on to or consumed on the premises.

7.19. Smoking

The whole of the school premises (including the playgrounds) is a non-smoking area, and smoking is not permitted.

7.20. Copyright or Performing Rights

The Hirer shall not, during the occupancy of the premises, infringe any subsisting copyright or performing right, and shall indemnify the LA against all sums of money which the LA may have to pay by reason of an infringement of copyright or performing right occurring during the period of hire covered by this agreement.

7.21. Sub-letting

The Hirer shall not sub-let the premises to another person.

7.22. Charges

Hire charges are reviewed annually by the governors in the spring term by the resources committee.

7.23. Variation of Scales of Charges and Cancellations

The Hirer acknowledges that the charges given may be increased from time to time (they will be reviewed by the Governing Body on an annual basis) and that the letting may be cancelled, provided that in each circumstance at least 28 days' notice either way is given.

It is the Hirer's responsibility to notify parents in writing (where appropriate) of any changes in dates or venues at least a week in advance.

7.24. Security

Arrangements for securing the premises following any lettings will be discussed and agreed at the time of booking. Only named key holders may operate the security systems. Keys should not be passed to any other person without direct permission of the Governing Body of the school.

7.25. Right of Access

The Governing Body reserves the right of access to the premises during any letting. The Headteacher or authorised members of the Governing Body may monitor activities from time to time.

7.26. Conclusion of the Letting

The Hirer shall, at the end of the hire period, leave the accommodation in a reasonably tidy condition, all equipment being returned to the correct place of storage. If this condition is not adhered to, an additional cost may be charged.

7.27. Vacation of Premises

The Hirer shall ensure that the premises are vacated promptly at the end of the letting. The Hirer is responsible for supervising any children taking part in an activity until they are collected by a responsible adult. In the event of an emergency, occupants must leave the school by the nearest exit and assemble on the school playground. The Hirer must have immediate access to participants' emergency contact details, and ensure systems are in place for contacting parents in case of emergency. Hirers are responsible for familiarising themselves with emergency exits and must ensure that all participants are aware of evacuation procedures. A fire evacuation exercise must be undertaken each term and a record of this should be kept.

Failure to comply with any of these conditions could mean removal of permission for future use.

8. Safeguarding

The school is dedicated to ensuring the safeguarding of its pupils at all times. It is a requirement of hire that hirers abide by the schools' requirements in respect of safeguarding. Any failure from the hirer in this respect will result in the hire being terminated.

It is the responsibility of the hirers to ensure that safeguarding measures are in place while hiring out the space.

If there is a chance that those hiring the premises will come into contact with pupils, for example if the hire occurs during school hours, or when pupils may be present in the school (during after-school clubs or extra-curricular activities), we will ask for confirmation that the hirers have had the appropriate level of DBS check.

The hirer will be required to have appropriate safeguarding policies in place, including safeguarding and child protection, and shall provide copies of these policies on request to the school.

The hirer confirms that, should any safeguarding concerns present themselves during the hire of the school premises, they shall contact the Headteacher as soon as reasonably practicable.

The hirer understands that if our school receives an allegation relating to an incident where an individual or organisation is using our school premises for running an activity for children, we will follow our usual safeguarding procedures and inform our local authority designated officer (LADO).

Our school aims to support all families and the wider community. Any queries or concerns regarding individual policies will be considered on an individual basis.
