

Friday Flyer

Mytham Primary School

Mindful Families Parent Course

The course you have been waiting for is all planned and ready to go straight after Easter !

Please see the flyer further in the newsletter. You can book up to 2 places per family on Eventbrite. Click on the hyper link in the form and it should take you to the booking form.

We are very excited to be able to offer this course as part of our Emotional Health and well being offer.

Book soon as there are limited places

SENCo Drop Ins

Our school SENCos (Special Educational Needs Co-ordinators), Amanda Lord (SENCo for Nursery, Reception, Year 1 and Year 5) and Lisa Nuttall (SENCo for Years 2,3,4 and 6) are pleased to let you know that they will be holding regular drop-in sessions for parents where you can have a confidential chat about any learning matters/issues regarding your child. The first session will be held on Monday 1st April at 3.15-3.45 in the Breeze Room (just off the KS2 playground).

4-6 and 7-9pm

This is a Friends of Mytham

Advance notice

We close early on Friday 5th April at 2.30pm. Please let child minders and grandparents know if they usually collect them.

Well Done Everyone. We had 77% uptake of the nasal flu immunisation

A message this week from Intra Health Immunisation Team

We would like to take this opportunity to thank you and your school for participating in this year's national nasal flu immunisation programme. Your school's input contributed to a very successful flu programme across your locality and is helping to safeguard the health and wellbeing of our communities.

We have analysed the vaccination figures for the schools in Bolton and the overall coverage is 55% in 2017 the coverage was 56%.

Of the schools in Bolton your school, Mytham Primary School, had an uptake of 77%. The advice from NHS England is that herd immunity, a form of indirect protection from infectious disease when a percentage of the population receives the vaccination, is reached at 40% uptake. This means that your school did reach herd immunity level this flu season. Of the 108 schools in your local authority your school ranked 19.

That's fantastic news. Hopefully this has meant that our attendance data has increased too.

Holiday Activities

There are several activities going on for children during the Easter Holidays. Please see the final page for the flyers. Please note that these are independent from school and although we know the companies we are not in any way responsible for them. Please follow the instructions in the flyer regarding how to book a place.

School Nurse Drop In

The School Nurse's next Drop In will be held on Weds 8th May. In the meantime if you need to speak to her please contact her directly
