

Global Citizenship

S T A T E M E N T O F I N T E N T

At Mytham we believe that:

A Global Citizen is someone who is aware of and understands the wider world and their place in it.

It is our intent to

- develop knowledge of the big issues facing our school community, Bolton and the world beyond
- understand the interconnectedness of people and places
- be committed to introducing small changes that have a big impact
- play an active role in our community
- work with others to make our planet more equal, fair and sustainable
- celebrate diversity whilst respectfully challenging social injustice

Together we have the power to make a difference and reshape the future.
