|                                                                                                                                            | Equipment for lessons including replacement of condemned gymnastics mats, indoor shelving and storage containers for outdoor equipment. | £1200              | <i>PE Planning</i> SOW has been used in across both key stages. The rest of the school have used <i>Real PE</i> . The use of the PE Planning scheme is enabling children to thrive and make better progress due to the opportunity to participate in sports specific activities whilst still reinforcing the fundamental movement skills. A sports specific curriculum also prepares pupils better for future physical activity at high school.  |                                                                                                                                                                                                                                                                                       |
| Continue to provide opportunities for pupils to be more active throughout the school day and to engage in physical activity at lunchtimes. | Activity Leader annual training of Year 6 pupils.                                                                                       | £150               | Y6 pupils participated in Activity Leader Training early in the autumn term. A programme of activities was then set up by the Lunchtime Team Leader, overseen by the sports coaches, and delivered across both key stages at lunchtimes by the Y6 Activity Leaders. New equipment was purchased to facilitate these activities. This programme of activities has impacted positively on behaviour and has raised daily physical activity levels. | Current Y5 pupils will be trained as Activity Leaders in the next autumn term.                                                                                                                                                                                                        |
